This report is updated daily but is not a real-time availability list.
Reservation requests are tentative, and your request is not guaranteed.
Please allow up to three days for processing. Thanks!!

The Fine Print:

To avoid disappointment...

1. Make sure you scroll to your proposed dates or you will end up requesting campsites that are full.
2. Don't ask for campsites that are full "just in case" because they really are full and you will end up being disappointed.
3. Only 1-7 people can stay at a regular campsite.
4. Only 8-12 people can stay at a group campsite.
5. Unless everyone in your party are all advanced technical mountaineers, don't request campsites that attempt to hike or cross the Continental Divide before July 1st or try to ascend Longs Peak before mid-July as both trips have ice, steep snow, falling rock, and avalanche hazard before those times.
6. Do not submit multiple trips on one reservation request. Each time you move your car to a different trailhead requires making a separate application (requiring an additional \$30 payment).
7. We look forward to having you visit your great National Park!
